PRODUCTS AND SERVICES

ULTRA LIFT 7D HIFU SYSTEM

Advanced Face & Body Rejuvenation Technology

Professional HIFU technology for non-invasive skin tightening, lifting, wrinkle reduction, contouring and overall rejuvenation. Ultra Lift 7D delivers precise and focused ultrasound energy to multiple skin layers, stimulating natural collagen regeneration for firmer, smoother and younger-looking skin.

7D

7D TECHNOLOGY

Multi-layer precision for superior lifting results

NON-INVASIVE

No surgery, no downtime
Safe and comfortable

PRECISION ENERGY

Focused ultrasound for optimal results

FACE & BODY TREATMENTS

Total rejuvenation from face to body

TREATMENT APPLICATIONS
